

# After the pandemic

Exploring social, political and economic changes

Three years after the start of the covid-19 pandemic, the consequences on society, politics, and the economy, in Italy and at the international level, can start to be assessed.

Tuesday

**14 March 2023**

h.10.00-18.00

Scuola Normale Superiore  
"Altana" Conference Hall  
(5th floor)

Piazza Strozzi, Florence
